

I am

customer

I'm trying to

- Chatbot is like talking to a person
- Customized product search

But

·IT INCURS  
STORAGE COST  
·CONSUMING TIME

Because

·INVENTORY USES THE  
SPACE  
·INVENTORY COST ADMIN  
AND INSURANCE COST

Which makes me feel

Empower Workers To Excel  
With Training To Improve  
Communications,  
Profitability And Safety
